- No carcinogenic materials
- No Butyl, Acid, Glycol Ethers, Caustic, or Phosphates
- No harmful bleach or ammonia

- Removes and inhibits
- Safer for people and animals
- Will not attack wax or paint
- · Will not etch metal
- Will not leave residue
- Free rinsing

mold

- Safe on all metals, plastics, rubber, and all other washable surfaces
- Safe on all types of fibers and fabrics
- Very versatile
- No fragrance added
- Industrial neutral pH factor

USES

Can be used for heavy-duty cleaning and degreasing:

OF: trucks, tractors, rail vehicles, industrial machinery, food service equipment, marine cleaning

IN: parts washers, dip tanks, ultra-sonic tanks, steam cleaners, pressure washers, floor scrubbers

DIRECTIONS

DILUTION:

Use cold tap water for best results.

1:8 to 1:16 (8oz to 16oz/gal)

Regular Cleaning:

1:32 to 1:64 (2oz to 4oz/gal)

Light Cleaning:

1:64 to 1:128 (loz to 2oz/gal)

1:32 to 1:64

COLD

WATER

GREEN SEAL

This product meets Green Seal™ Standard GS-37 based on effective performance, concentration of product, minimized/recycled packaging, and protective limits on VOCs and human and environmental toxicity. GreenSeal.org.

Manufactured by IPAX, distributed by Tri-Chem.

FIRST-AID

Eyes: Wash eyes with plenty of water for about 10 minutes. Get medical attention if any irritation persists.

Skin: After prolonged contact, apply normal skin cream if necessary.

Ingestion: Do not induce vomiting. Drink large quantities of water or milk. See SDS.

HMIS SYMBOL •

DISPOSAL

Dispose of excess or unused product properly. Never dispose of cleaning products or allow runoff into storm sewers or ditches leading to natural waterways. Recycle used container.

CAUTION •
